Winter Field Day January 29, 30, 2022

Bill Reed, K7WWR has agreed to chair the Winter Field Day Committee! If you have any internet in participating, please contact Bill, The club will be running two transmitters, 40 and 20 Meters and will have a VHF talk in station. The club will be providing hotdogs and hamburgers for "lunch". In addition to WFD, we will be a special event as POTA (Parks on the Air) and IOTA (Islands on the Air).

Please note the WFD activities are on Boca Grande Island, next to the lighthouse, and there is a small fee charged to cross the bridge, and there is a parking fee at the Park. The activity (for contesting) starts at 2 pm Saturday, but set up of equipment will start at about 9 AM. Come early for donuts and coffee. See you there for a great Winter Field Day!

Welcome New Members!

K1LOV and **N4LJT** are welcomed as new members to **EARS**

K1LOV (Steve) lives in Port Charlotte and has participated in our 2 meter Tuesday Chat net for some time. **N4LJT** (Leonard) checks into the 2 meter chat net and has also been coming to the Tuesday morning breakfast at Denny's. Leonard lives in Port Charlotte.

The club meets every Tuesday morning at **Denny's Restaurant** at 7:30am. Denny's is located in Englewood just east of the 776 and Placida Rd intersection. This past

Tuesday we had 10

people! But there is room for more!! A lot of fellowship and ham radio chatting was accomplished! If you have an open spot on your Tuesday activity list, please join us at Denny's.

At the end of this newsletter is a dues renewal form, which you can use (bring to meeting or mail to PO Box) to renew for 2022. Or you can now use a credit card or Paypal by going to the webpage (www.earsradioclub.org) and clicking on the "buy now" button on the membership page.

It's time to renew your EARS Membership dues for 2022!

#3 - During the interim of installation by Jon Pelant the K8ONV Call Sign will be replaced with the N4EAR Club Call Sign and he will become the trustee of record during that installation and testing of the new repeater. Cost unknown currently since the FCC fees do not apply due to legal action between controlling agencies.

All three motions were introduced by Jon Pelant and seconded by Steve Froggett and Jon Blincoe. Motion #2 was selected by a unanimous vote. Motion #3 was voted unanimously (18 members) with two abstentions.

Old Business – N4EAR/K8ONV renovation and upgrade will take place during 2022. Choices of replacement equipment are Broadcom. Club votes indicate strong positive responses for Broadcom product, due to Ham product support, consistent technical performance, responsive customer service, and long-term product life. A UHF/Digital service is being discussed for South Charlotte County. Brief discussion regarding callsign application, FCC regulations, in a dual repeater (VHF or UHF) site situation.

Winter Field Day: Bill Reed reported on progress of Winter Field Day. EARS is permitted to use the Boca Grande Lighthouse location for Winter Field Day. At the start of day on Saturday, January 29, 2022 setup begins with EARS at Boca Grande Lighthouse. Island bridge charges \$6 crossing fee. QSL cards will require rubber stamp for contest activities conformance. 20 mtr & 40 mtr bandpass filters allows two rigs at a time to operate. auto-logging for events.

New Business – Officer selection and election for 2022.

President Pellant offered the slate of officers consisting of Jon Pellant for President, Jim Nelson for Vice President, Robert McAllister for Treasurer, Herman Hoffman for Secretary, Matthew Henry for Trustee. Herman Hoffman is FCC Liaison/Trustee for repeater K8ONV.

ADJOURNMENT- called by Steve Froggett, 2nd by Jon Blincoe at 20:31.

February 8th 7 Pm Next Meeting at Chamber of Commerce & Meet video conference.
