TREASURERS REPORT: Cash in checking: 11/31/22 \$3,226.24, Petty Cash \$45 - Motion to accept Treasurers Report by Steve Froggatt & 2nd Jon Blincoe. NOTE: Please pay dues by 12/31/2022 and suggestions for activities to replenish the checking account are welcome.

SECRETARIES REPORT: October Monthly meeting minutes are being reconstructed from my notes and will be finished soon. Lightning destroyed my lap-top before I performed a back-up and lost all data on it. ANI then finished off my roof, interior sheet rock, pool cage, storage shed, and anything else it encountered. Thus delaying the October report. Treasurer, Herman Hoffman & accepted by Steve Froggatt.

SUNSHINE: None this past month.

PUBLICITY: Winter Field Day will be submitted to Sun News weekly & daily by Ken Blackshaw, W1NQT, EARS Publicity Director.

Ken will be canvassing other potential periodical publications as well. Thank You Ken! The Winter Field Days will be January 28th & 29th at the Ann & Chuck Dever, Charlotte County Park on San Casa Dr. Englewood.

DX: Band activity is getting better on the longer wavelengths now. While various particles are getting belched toward Earth, bands above 20 Meters are making DX fun again. Discussion ensued regarding particle distribution & ducting on the VHF & UHF Bands. Jim Nelson has been able to use FT8 to continue his goal of a "Worked all Countries Certificate". Maybe an all-hands-on deck to insure Jim's completion would help? Along With good DX performance, Winter Field Day is coming fast, please sign up soon. Contact: Bill Reed or Bill Dolan for information or sign up.

ARES & Training and Testing: Doug Frazier reported four (4) Technician Licenses were awarded to attendees of the CERT weekender training course. Great success has been made with getting new members for Charlotte County Cert and perhaps a few new members for the Ham Clubs. Thank you, Doug for your persistence and ambition. New classes have been scheduled for May 6th, 2023. Interested parties can get more information on the appropriate Charlotte County Web Page.

HAM FEST: announcement of a transportation bus for the Orlando event in February. Several members. Took the bus to attend the event last year and it will be available again this year.

Jon Pellatt & Bob McAlister delivered information regarding CAD and 360 Printers, for creating software for project construction, board design, and product analysis.

NEW BUSINESS: No New Business

OLD BUSSINESS: Officers Election is set for the January 9, 2023, at EARS Meeting. The slate of victims is same as 2022 since no volunteers attended the December 13, 2022, the same folks who served last year, will have another year added to their sentences.
