port and asked for a motion to approve. Motion by KN4RKE second by W1NQT, motion approved.

**DX Communications Report:** KR4DGO reported that he was working Europe and South America on his end-fed antenna.

**CCFLARES Updates Report:** KM4GX reported that exercises will restart at the Englewood Hospital at the end of the month. The hospital will be providing a "radio room", and the club will be providing training on using the equipment. KE5ODR noted that ARES training will be offered November 12-14 at the Charlotte County EOC. If you are interested contact Doug

**Sunshine and Media:** W1NQT reported that a release was prepared for the WaterFest participation. He also reported the passing of W1EKU's XYL, and W4AII's XYL recent hospital stay.

**Events and Activities:** Comments about the recent WaterFest Event were made. It was deemed successful, with the exception of HF activity due to noise and space concerns. KN4YIU provided up dates for the Fall Picnic. The picnic will be November 8<sup>th</sup> at the Lemon Bay Environmental Park Pavillion. We will have the pavilion all day. Please let Shirley know how many will attend. XYL's, children are invited. **Election:** the current President, Vice President and Treasurer have indicated they will run for re- *SEE Page 2.....*

## ***Breakfast at Junior and Rosie's***

Breakfast at J&R's continues to be a popular club event. The prices are right, the food is good, and the ham radio fellowship is great! The group meets between 7 and 7:30 am for food and fun. Although it's now summer, we are averaging 8 participants!

As mentioned in the header of the newsletter, the club meets the second Tuesday of the month at the Englewood Chamber of Commerce. The meeting starts at 7pm.

## **PICO BALOON LAUNCH UPDATE:**

The club is working with Charlotte County school system to establish a STEM related balloon launch. **Andrew Stancil**, Instructor from Charlotte County HS STEM program attended the last meeting to discuss his students interest in HAM radio and the PICO Balloon program. **N9KWB**, Roger Mattia and others are working out the details. The committee will NEED HELP with this project – please reach out to Roger to volunteer. We plan on launching in January or February of 2026.

## **EARS FALL PICNIC:**

Mark your calendars for the Fall Picnic scheduled for **November 8<sup>th</sup>**, and will be set up at the **Lemon Bay Environmental Park** in Englewood. If you would like to help, or are planning on attending, please let **KN4YIU** (Shirley Duke) know. More information to come.

## **EARS SUPPORTS 2025 ENGLEWOOD WATERFEST:**

Again this year, EARS supported Englewood's **Water Fest** Event. The Event is one of the biggest happenings in the community, and showcases the beach, restaurants, and the World Championship Outboard Motor Races. The club provided voluntary security personnel and communications support on Friday, Saturday, and Sunday, October 10-12, 2025. Thanks to all the club members who donated their time supporting the event, and to W4AII, who marshalled the security details for our club. The club set up a booth at the event, thanks to KN4YIU, KN4YIV, K9XV, and KM4GX who supplied the tent, table, chairs, radio gear, and water. The club set up a special event station, N4W and on Saturday made a few contacts on 20 meters! Unfortunately, our tent was located very close to the public address speakers, and radio work was difficult to accomplish. The club also gave away a Bao Feng UV5R transceiver to the lucky visitor who held the winning ticket! Special thanks to **Tom Chance** and **Ron**

**Farley** for running HF and bringing several radios for security volunteers!
