ENGLEWOOD AMATEUR RADIO SOCIETY Meeting Minutes for March 14, 2023, Meeting Minutes

Meeting opened at 19:01 with Jon Pellant, President leading and attending members delivering the Pledge of Allegiance.

Members in attendance: Jon Pellant W1JP President, Jim Nelson W4AII Vice President, Absent/Bob McAllister KN4RKE Treasurer, Herman Hoffman WA9LFQ Secretary, Jon Blincoe N1COC, Dan Williams N0DRW, Steve Malone KN4YIV, Charlette O'Conner WD8RIM, Dennis O'Conner K8DO, Burnie Schmelz KO4ZQL, Steve Bishop KW4SAB, Mark Thurston KB8WXI, Bill Reed K7WWR, Mime Mathews K2AQR, Doug Vanderlaan K8RFT, Bernie Schmelz KOLZQL, Jim Grimes KD8OCW, John Hodgdon KN4PHQ, Jim Porter KA8PBA, Ken Blackshaw W1NQT Director of Publicity & Sunshine Distribution

TREASURERS REPORT: Ending Balance: 2/28/2023: \$3199.00, Petty Cash: \$48.00 50/50 tickets \$41.00. Total \$384.84 Expenses. Motion to accept Treasurers Report by Steve Bishop & 2nd by Jon Blincoe

SECRETARIES REPORT: March 2023, monthly meeting minutes were recorded by Herman Hoffman and placed into the February Monthly EARS News Letter by Bob McAllister. Motion to accept Minutes as published by Jon Blincoe and 2nd by Jim Nelson.

SUNSHINE: We thank Ken Blackshaw for his efforts to bring a bit of joy and consolation to members. Folks are dealing with health events that contribute little or nothing to members normally sunny day. In this vein Steve Foggatt was diagnosed with COVID for the 4th time. Take it easy Steve. This past month between meetings was eventful, not all sunshine and unicorns.

PUBLICITY: We thank Ken Blackshaw for his efforts to get some column space and word of mouth about EARS efforts to perform Ham Radio and Public Service activities like the Field Days routine drills needed for reliable emergency communications. We have several more FD and CCFLARES Drills over the next 9 months.

DX: There has been exceptional activity and round-the-world contacts this past Month. .

Minutes from page 1.....

Steve Bishop reports that contacts he made during February covered several continents including North Russia, Ukraine, and Western Europe. He worked many of those on the. 15 MHZ Band Jim Nelson has received his DXCC Certificate for working 100 contacts with FT8 nearly no power to speak of. That's what happens when we have a showering of nuclear particles. It has been six years since similar conditions existed.

Ham Fest: The peace River Club set up a Ham Fest in February with somewhat spotty attendance. But those folks that attended were heard to remark they enjoyed the lack of crowd noise and the odor of sour croute.

ARES: Emergency Services training will be scheduled for Cert Member's for the next several months. Use the Charlotte County Web site for time, content, contact hours, and dates. Currently they have a class set for the first 3 days of April. Contact Doug Frasier for more information regarding Cert Membership. March 3rd was the Englewood Hospital drill activities. The Sarasota Fair 7 Arts Festival was supported by EARS Members on March 25 & 26. A good time was had by all.

NEW BUSINESS: Discussed placing a Booth for EARS during activities like the Sarasota County Fair, Arts Festival, and Water Festival. To be discussed further at next meeting. Jim Grimes moved to vote on this idea, for actual implementation, at April EARS meeting. 10 votes yes. Who will be the Chairperson for this activity? A USPS bill was presented for payment in the amount of \$176.00.

Brief discussion regarding the need for a permanent address and no vote for payment was called for. Discussion and call for motion to make the Tuesday Talk Net start time take place at 19:15 Hrs., promptly. Vote taken, 9 voted with 9 yes. All members should be made aware of this action.

OLD BUSINESS: No old business was raised for discussion.

Jon Pellant made a motion to adjourn at 20:03 Hrs., which was seconded by Steve Bishop. **NEXT METING APRIL 11, 2023**

TO ALL OUR MEMBERS WHO WILL BE DEPARTING FOR NORTHERN CLIMES IN THE HINTER LAND OF THE WORLD, TAKE CARE IN YOUR TRAVELS SO THAT YOU CAN BE HERE NEXT FALL. HAVE A SAFE TRAVEL EXPERIENCE

start! We had 12 last week

"Go boxex.....

After this month's meeting, Doc O'Connor, **K8DO**, demonstrated his "go box". The ready to go set up is built on a wagon frame and can be pulled around and set up easily to run HF communications on the go. Besides the transceiver and power, the set up includes an antenna mast. Quite impressive and effective!

Fun and fellowship at Junior and Rosie's

Breakfast at Junior and

Rosie's

continues to be a popular event. We meet at 07:30 for good food, good price, and good fellowship, every Tuesday morning. If 07:30 is too late for your busy day, a few meet at 07:00! Come on down for a good Tuesday morning

EARS at Sarasota County Fair

On Saturday, K7WWR, W2CWL, KW\$SAB, and KN4RKE manned the Ham Radio Booth at the Sarasota County Fair. The Booth was sponsored by the Sarasota SERT and coverage in the booth was provided by several local clubs. While EARS manned the booth we made contact with 50 stations using a Kenwood transceiver running about 100 watts into an end fed long wire antenna. Contacts were made on 20, 15, and 10 meters and included Europe, South America, Caribbean, and coast to coast US operators!

Monthly Meetings at COC

As mentioned in the header of the newsletter, the club meets the second Tuesday of the month at the Englewood Chamber of Commerce, next door to the Fire Station in Englewood.. The meeting starts at 7pm. After the meeting, we like to have a speaker to present interesting technical, operational, or otherwise ham radio oriented topics. If you have a new rig, antenna , ham radio software, or tips about ham radio operation, please contact a club officer to schedule a time to share your info with the club members!

EARS Winter Field Day Results

Although the Winter Field Day is not intended to be a competition, it's nice to see how our club performed. In our 'off the grid' 'winter' environment, we contacted 182 other ham stations on three continents. There were 4996 Winter Field Day reports and the Englewood Amateur Radio Association's score was 223rd on that list.

We operated using Single Sideband, Morse Code, and various digital communications modes, and also experimented tracking amateur radio communications satellites as they passed overhead.
