Meeting Minutes for July 11, 2023  
 Meeting opened at 19:05 with Vice President Jim Nelson presiding and those attending delivering the Pledge

of Allegiance.

Members in attendance: Jim Nelson **W4AII** Vice President, Bob McAllister **KN4RKE** Treasurer, Herman Hoffman **WA9LFQ** Secretary, Bill Dolan **W2CWL**, Shirley Duke **KN4YIU**, Steve Malone **KN4YIV**, Michael Reid **N3MR**, Mark Thurston **KB8WXI**, Bill Reed K7WWR, Steve Froggatt **KN4NFX**, Steve Bishop **KW4SAB**, Kelly Combes **WO4AC**, Doug Frazier **KE5ODR**, Geoff Norton **KM4UGR**

**TREASURERS REPORT:** Checking Account \$ 3,330.92

Petty Cash \$ 29.81, Dues & Miscellaneous \$ 188.00

Motion to accept Treasurers Report by Motion to accept, Steve Froggett, and Second by Michael Reid.

**SECRETARIES REPORT:** June 13, 2023, monthly meeting minutes were recorded by Herman Hoffman and placed into the June Monthly EARS Newsletter by Bob McAllister. Motion to accept Minutes as published was made by Bill Dolan and 2nd by Mike Reid.

**SUNSHINE:** Ken Blackshaw sent out Sunshine activity this past month to Bernie Schmelz who has had some health issues in the Northland.

Get Well Bernie.

**PUBLICITY:** Ken Blackshaw W1NQT Director of Publicity & Sunshine Distribution

Ken Blackshaw is the go-to EARS Member for publicity regarding EARS events, service, and information disper-

sal. He has worked on Summer Field Day in both his Florida and Nantucket hometowns and unfortunately did not make Ham Radio direct contact with N4EAR during the event.

**EVENTS & ACTIVITY:** At this point Events & Activities Directors are Bill Reid, Steve Bishop, and Bernie Schmelz and others. They and other members are working on a possible Light House edition of 'Light House Field Day' in August. Since Hurricane ANI took aim at the Boca Grand Light House and severely damaged it, we all are concerned about safety so some alternatives may need to be examined.

**HAMFESTS:** Dayton Hamvention in Dayton, Ohio 19, 20, & 21 of May was deemed a success this year again. Several local Hams ventured North to attend. Perhaps a local EARS Hamfest could provide some needed EARS financial support, do you have some equipment available that is no longer used, needed or antique?

**ARES:** Hurricane season is upon us again. Since we were treated to ANI's foul behavior, it is important that we think of our Charlotte County Flares, SARS, and Ham practices activities as a dress rehearsal while enjoying Field Day activities. Potential problem points in the methods of connecting all the radio operators that are in the various radio locations should be tested as if an emergency was in progress though out the Summer and Fall. ANI hit us right on the nose on September 28<sup>th</sup>, 2022, Hams need to understand what the real purpose of Ham Radio has always been for. Antenna in use for an emergency should be evaluated for purpose and efficiency. Readiness testing must proceed on power generation, antenna structure safety, and transmission readiness. Charlotte County provides support via ARES and CC Flares with training and resource access.

*Continued on page 3...*

## **2 Meter Chat Net:**

The club conducts a two meter chat net every **Tuesday evening on N4EAR**, 146.865 136.5HZ tone, -600 transmit at **7:15 PM**. On Tuesdays that the club holds its meeting, no net. If you are using echo link to check in,

**N4EAR** node.

**The club is always looking for net control operators. If you would like to participate as a net controller, please let a club officer know!**

**The current monthly rotation is:**

**Week 1: KN4NFX**

**Week 2: Club meeting, net not held**

**Week 3: KN4RKE**

**Week 4: W4AII/KW4SAB**

**Week 5 (if needed) : Open**

**If you can not commit to full rotation, please volunteer for "substitution" rotation.**

EARS 2 Meter chat net report for June, 27 2023. Net Control Steve **KW4SAB**

1. **KN4PHQ**, John checked in via EchoLink from Maine. He says it's been pretty chilly up there and has been using the heater in the cabin to stay warm.
2. **KQ4ELK**, Kermit in Warm Mineral Springs. He enjoyed stopping by the Field Day site and meeting everyone.
3. **WO4KAC**, Kelly in South Gulf Cove. Enjoyed his visit to the EARS field day activities and meeting everyone. Trying to stay cool in the very warm temps!
4. **KN4YIV**, Steve in South Gulf Cove. Had a great time at field day, he and Shirley **KN4YIU** enjoyed the weekend spent with all the club members.
5. **KN4RKE**, Bob in Englewood. Acknowledged all of the visitors who stopped by our field day event. Welcomed the new club members who recently joined. Reminder on the upcoming DX contest.
6. **W4AII**, Jim in Manasota Key. Discussed good time at breakfast and was trying to resolve some issues with his random wire HF antenna.
7. **W2CWL**, Bill in Nokomis. Great time at field day, enjoyed working with the other members setting up the various antennas and operating the radios. His EFHW is working very well at his temporary QTH.
8. **WB1FLD**, Dave in Englewood. Had a great time at field day! Enjoyed operating on the HF stations and meeting the other club members.
9. **W1NQT**, Ken checked in via EchoLink from Nantucket. The weather up there has been very rainy and there have been lots of flight delays getting to and from the island. He is requesting all the information

from the SFD activities for the PR report.

**7/4/2023 Chat Net Log KN4NFX Steve Net Control**

**W4AII** Jim Manasota Key on echo link, awaiting fireworks and elevator repair

**KN4JEN** Alan planning trans Canada trip!

**KN4RKE** Bob in Englewood plugged DX contest, congrats to KN4YIV and KN4NFX on General class upgrades

**N3MR** Mike booming signal! enjoying the 4th

**WO4KAC** SGC Kelly working on license upgrade

**KE5ODR** Doug in Placida, wishing all a good holiday, in and out

**KN4YIV** Steve in SGC upgraded to General license.

Return from family visits

**KW4SAB** Steve in SGC (yes we have 2 Steves in SGC) enjoying breakfast with club members, cooling off in pool!

**WB1FLD** Dave in N Englewood, in and out

**KN4PHQ** John on echo link in rainy Maine! Waiting for good weather! (We are saving a breakfast spot for you John)

Net closed at 19:45 local time

**EARS 2 Meter chat net report for July 18 2023. Net Control Steve KN4RKE**

**W2CWL** Bill via echo link in Laurel. Enjoyed breakfast. Hurricane recovery moving along. **KN4NFX** Steve in Rotonda West commented on stormy weather.

**W4AII** Jim on Manasota Key on vertical. Noticed 12 at bkfst this morning. Mentioned upcoming Englewood Water Fest and ARES activities. **K7WWR** Bill in Englewood commented on DX contest. **KN4PHQ** John on echo link from Maine commented on cool rainy wx up north! **WO4KAC** Kelly in SGC commented on wx.

**KW4SAB** Steve in SGC mentioned bkfst crowd and DX competition. **KQ4ELK** Kermit in WMS checked in and out. **WB1FLD** David near Buchan Airstrip mentioned contesting, and planned trip to vist close Ham friend. Net closed at 19:42 local time

**W4AII gave CCFLARES report(s):**

Weekly Net on 6-28-23 had 18 checkins and lasted 23 minutes. NXDN Training was on June 29 2023

**AARL WCF Announcements**

Please see ARRL WCF website for details and to confirm all announcements here.

This month only, CCFLARES will do a **Winlink-Only** field exercise at the hospitals and EOC. I understand this month only there will be no analog FM repeater traffic. I and Hopefully Jim KA8PBA and/or Doug KE5ODR will participate with Winlink in the NE Corner of the hospital parking lot. All are welcome to join us!

## ***Breakfast at Junior and Rosie's***

**Fun and fellowship at Junior and Rosie's**

Breakfast at J&R's continues to be a popular club event. The prices are right, the food is good, and the ham radio fellowship is great! The group meets between 7 and 7:30 am for food and fun. This summer we average about 8 club

members. Thanks to Jon Blincoe, **N1COC**, for arriving early and setting up the tables for our group!

### **History of Amateur Radio**

[wa3prc@embarqmail.com](mailto:wa3prc@embarqmail.com), Tom Hawes, sent in the link below, which is a very interesting (to me anyway) history of Amateur Radio in the USA.

<https://www.youtube.com/watch?v=Su76QvChuEU>

The link is a valid link to youtube.com

### **Upcoming Club Activities**

**August 19-20 2023** Lighthouse/Lightship Weekend Event. Although not a formal activity, the Club has registered N4EAR to participate as the Boca Grande lighthouse registered entrant. There will be a few operators that will activate an HF or two station near the lighthouse on Boca Grande to participate in the event. All club members are invited to stop by and operate. Attend the august meeting or 2 meter chat net to get more info.

### **2023 Waterfest in Englewood**

If you would like to volunteer for this year's waterfest please click on below link. **EARS typically provides our members as trained radio operators for the security team.** If you want to Volunteer as a radio operator, sign up for the **security** team. If you signup for at least 2 Security shifts then you get a free lunch as well as free admission and a Security Shirt, plus we have a good time! If your desired shift is full, just sign up for any open **Security** shift and we will finalize the radio operator schedule closer to the event. Contact **W4All** for additional info.

[Ambassador Opportunities - Englewood Beach Waterfest](#)

### **Winter Field Day January 27 and 28, 2024**

More details as we get closer to 2024

### **Antenna Shoot-Out and Chill Cook-Off**

Planned for sometime after WFD but before all the snowbirds go home for summer! The Activities Committee is working on the "details, rules and regulations" now.

**Minutes from page 1.....**

**OLD BUSINES:** None

**NEW BUSINESS:** Several brainstorming ideas were thrown out regarding financial, club status, and other subjects for discussion. Lighthouse weekend activities are fast closing in on us and we must make final arrangements at the August meeting on the 8<sup>th</sup>. We may set up at the "Range Light Site" since ANI went through the beach area where the old light is located. Bathroom facilities are just fine. The location of the Range Light is the Boca Parking Lot North of the original Light House. Some discussion, in the group took place when Jon Blincoe discussed the possibility of getting a Ham shack-room at the Tran Gulley County facility. It's great to think we may have a single location.

Steve Froggett moved to close the July 11th, 2023, meeting.

Bob McAlister seconded the motion to adjourn.

Meeting closed at 20:14 Hrs.

There was no after meeting training activity this month.

Sharing Sunshine

## Groups.io Website

If you are not getting the EARS groups.io emails, please contact one of the club officers. Groups.io is used to send emails concerning club activities and other supportive functions. If you don't get the messages you are missing out on club information! Get more information at [main@ears.groups.io/Home](mailto:main@ears.groups.io/Home) or [main+subscribe@ears.groups.io](mailto:main+subscribe@ears.groups.io)

## Monthly Meetings at COC

As mentioned in the header of the newsletter, the club meets the second Tuesday of the month at the Englewood Chamber of Commerce, next door to the Fire Station in Englewood.. The meeting starts at 7pm. After the meeting, we like to have a speaker to present interesting technical, operational, or otherwise ham radio oriented topics. If you have a new rig, antenna , ham radio software, or tips about ham radio op-

### Options

Single Membership one year \$15.00 USD

Use the BUY button above to purchase a membership on line with Paypal

eration, please contact a club officer to schedule a time to share your info with the club members! Thanks in advance!

## Equipment for Sale:

If you are interested in any of the equipment below, please contact **K4VHK**, Victor Emmelkamp at **ekamp3@gmail.com** or me **KN4RKE** at **lobanker@hotmail.com**

[Anytone DMR/VHF T/R](#)

**Model 878 UV Plus Price:  
\$150.**

[MFJ 259B Antenna Analyzer](#)

**\$125.**

[A Comet mag mount VHF/  
UHF  
with mag mount.](#)

**Price: \$ 50.**

There will be an assortment of connector gender benders, a nice MJF Tuner, and some “go box” accessories put on display for sale at the next meeting, also from Victor, with the proceeds donated to the club general fund.

## For sale by WB1FLD

1. An **Icom IC-9100** with the optional **1.2 GHz** module. I have had this radio for about 4 years and it maybe has 2 hours of TX time on 2m. I will entertain offers.
2. I have an old rotor, it is a T2X last serviced by the rotor doctor in 1983. I do have

a control box for it as well. I will also entertain offers on this big rotor.

Contact David (WB1FLD) at **wb1fld@gmail.com** if you are interested in the above gear. Additional gear will be listed in future newsletters

Bob. Also let you members know that I have an **Acorn 1000** amplifier for sale with less than 5 hours on it. They are selling for \$3600 and I will let this go for what I paid for it new \$2600

**wa3prc@embarqmail.com**  
Tom Hawes

If you have any equipment for sale, drop me an email with picture, price, contact info, and any other details you might want stated. **KN4RKE**
