WINTER FIELD DAY

January 25/26 2020

EARS set up a three station operation at Ann Deever Park, off San Casa Rd in Charlotte County to participate in the ARRL Winter Field Day. This year the Club Event was planned and organized by **K7WWR** and **W2CWL**. Valuable support was provided by a whole list of members including **KW4SAB**, **WA9LFQ**, **KN4YIV**, **KN4YIU**, **W1JP**, **N1COC**, **W1NQT**, **W4AII**, **KE5ODR**, **KA8PBA**, **N1COC**

Ken (W1NQT) working CW mode

and N3MN. Thanks to all for bringing equipment, antennas, cook stoves, publicity, food, and help in setting up and tearing down the stations!

A visitor/attendance list included:

Deawick Villane, Dominic Villane, Leon Moyer, Bob Pelland, Birgitta Pelland, Dana Pelland, Kyra Pelland, W1JP, KN4RKE, W4AII, N3MN, W2CWL, N4LJT, W1NQT, KN4NFX, KE5ODR, KW4SAB, KN4YIV, KN4YIU, K8RFT, KD8OWC, KA8PBA, WA9LFQ, N1COC, K8ZZU, K8DO., KE8WBC, N9OZC, K2AQR.

Our WFD activity earned us two new club members, **K8DO** (Doc O'Conner) and **KD8II** (Charles Lane)

Steve (KW4SAB), John (W1JP), Jim (KD8OCW) working contacts

Three operating positions were set up and 7 antennas were fielded. All bands (80 thru 2mtrs) were covered, and contacts were made in each band. The bands were

cooperative, and in addition to WFD contacts so DX to Europe, Canada, and Mexico were made..

Just for the record, the local public call made to the Sheriff, was not a UFO or ultra light aircraft in trouble! Our own Jon Blincoe (W1JP) was demonstrating his kite, which has been used in field day events to get a long wire antenna into proper transmitting position. The Sheriff deputes did come out to investigate, but luckily no one was hauled "downtown" for questioning.

W1JP Kite Flying

N1COC (Jon Blincoe) took advantage of the great weather to check out his mini solar farm, which powers his mobile "to go" rigs.

Operators at work!
