Winter Field Day January 29, 30, 2022

Bill Reed, K7WWR has agreed to chair the Winter Field Day Committee! If you have any interest in participating, please contact Bill, through the

EARS groups.io message system . You may remember we did last year's Winter Field Day on Jon Pellant's (W1JP), lot in Englewood, and had a great time! Bill has a lot of ideas about the upcoming event but is open to ideas and suggestions. Bill also has an interest in a "special event", either a POTA (Parks on the Air) or IOTA (Islands on the Air) event either in conjunction with Winter Field Day, or perhaps as a separate event. If you don't have Ears.groups.io, Bill's email address is: wwr1953@gmail.com

Jon Blincoe N1COC, operating at last Winter Field Day on an end fed long wire antenna!

The club meets every Tuesday morning at **Denny's Restaurant** at 7:30am. Denny's is located in Englewood just east of the 776 and Placida Rd intersection. There are usually 5 regulars, but

new Hams, friends, and innocent bystanders are welcome to join us for fun and hopefully interesting conversation and fellowship.
